

2.4.1 Percentage of full-time teachers against sanctioned posts during the last five years.

The institution prioritizes effective teaching and learning methods that are essential for sharing knowledge and enhancing the overall growth of students. Institution recruits full-time teachers who are well-qualified, dedicated, and experienced in their respective fields. The numbers of available positions are approved by the management during the GC meeting. Vacancies for faculty positions are advertised in accordance with AICTE regulations, and appointments are made following a thorough interview process conducted by a selection committee.

Summary of full-time teachers against sanctioned posts during the last five years is as shown in below table.

Academic Year	Total No. of Sanctioned Post	Total No. of Teachers Appointed	List of full-time teachers	Average percentage of teachers (for last 5 years)
2022-23	106	106	View Document	100
